

Fanatics Sportsbook Launches Today in Indiana

Indiana – February 27, 2024 -- Fanatics Betting and Gaming, a subsidiary of Fanatics Holdings Inc, a global digital sports platform, launched the Fanatics Sportsbook today in Indiana. Sports fans living in and visiting Indiana will be able to download the Fanatics Sportsbook on [iOS](#) and [Android](#) and begin their Fanatics Sportsbook experience. Indiana marks the fourteenth state for the Fanatics Sportsbook.

In August 2023, Fanatics Betting and Gaming began acquiring the U.S. businesses of PointsBet and planning the migration of PointsBet customers to the Fanatics Sportsbook app. Today in Indiana only, each PointsBet customer's username, password, account balance, rewards points and responsible gaming settings will be automatically migrated to the Fanatics Sportsbook.

The Fanatics Sportsbook makes being a fan easy with fast signup, easy betting, transparent withdrawals and is disrupting the sports betting industry with the following new features:

- **Building a better sportsbook:** The Fanatics Sportsbook app was built natively on [iOS](#) and [Android](#). The design, speed and quality of the navigation experience rival the sports betting apps in the market today that were not built specifically for iOS and Android.
- **FanCash:** The Fanatics Sportsbook is the only sportsbook that gives customers up to 5% of your wager back in FanCash. Every dollar of FanCash is a dollar to spend on bonus bets or Fanatics.com.
- **Discover:** Everything a customer cares about, including marquee games, key stats, trending bets, delivered straight to one location - the Discover feed.
- **Search:** The Fanatics Sportsbook offers industry-leading search functionality, including a search bar, recent searches, autocomplete, synonym/alias and deep linking. Customers can search easily for the bet they want and bet directly right from the search results.

Fanatics Betting and Gaming believes that responsible gaming is a core tenet and a part of the organization's DNA. Online customers will have access to Responsible Gaming tools to manage their time and money alongside a best in class Help Center, chat experience and knowledgeable agents with 24/7 coverage.
